Attached is an expense report for the ELC grant through 3/1/10 (sent on 3/3/10). I am reforwarding incase you did not receive. The Personnel totals are complete on the "Budget Totals" page, but not updated by activity (I did not receive detail of personnel costs).

I know you are having a meeting latter this month, and I will try to get an updated expense report by then.

Let me know if you have any questions,

Ann
